

Response to COVID-19

At The Suites, the health and safety of our tenants and employees is our top priority. We're taking necessary steps to protect the health and wellbeing of our community as we continue to navigate the COVID-19 situation.

MOVING FORWARD

We understand the way you normally work has changed and we're here to support you however that may look.

Our wide range of flexible workspaces are ideal for small teams and getting your business back on its feet, with all of our suites compliant with social distancing guidelines.

We are closely monitoring the situation and will continue to adapt where necessary to ensure the health and safety of all tenants and guests of our precincts.

PREPARING OUR WORKSPACE

INCREASED CLEANING PROCEDURES

We are closely monitoring the situation and will continue to adapt where necessary to ensure the health and safety of all tenants and guests of our precincts.

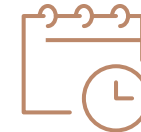

PHYSICAL DISTANCING GUIDELINES

We have re-organised the capacity of our meeting and boardrooms to ensure they comply with physical distancing guidelines.

SIGNAGE AND NOTICES

Strategically-placed signage that serve as friendly reminders to wash hands thoroughly and sanitise often.

SUSPENDED EVENTS

All networking and holiday events are temporarily suspended until further notice.

VISITOR REGISTRATION

All building visitors must complete a self-assessment form that declares they have not been in recent contact with any COVID-19 affected persons or showing signs of sickness.

Recent changes may affect how you operate your business and manage your staff in the 'new normal'. Distributing staff to business precincts, closer to homes and out of the CBD, reduces risk of infection from high-volume areas.
